

NORTHSTAR ACADEMY

Admissions Prospectus

Curiosity is a way of life.

A guide for prospective families:
learning, admissions, visits, funding and
next steps.

2026-27 / 2027 ENTRY

A generous education, built around the whole student.

Northstar combines ambitious learning with close mentorship, creative opportunities and a community where students are known well. We want students to leave with strong knowledge, good judgement and the confidence to keep asking better questions.

UNIVERSITY OFFERS

Learning stages

● **EARLY YEARS**

Ages 3-6

Play, language and the confidence to ask why.

● **LOWER SCHOOL**

Ages 7-11

Big questions, bright classrooms and room to follow an idea.

● **UPPER SCHOOL**

Ages 12-18

Ambitious study, real-world perspective and purposeful independence.

Five simple steps.

01

Explore Northstar

Learn about the school and choose the right stage.

02

Visit or join an open day

Meet staff, see the campus and ask questions.

03

Submit an application

Complete the online form and receive your reference.

04

Review & conversation

Admissions reviews the application and arranges any next steps.

05

Decision & enrolment

Successful families receive an offer and joining guidance.

IMPORTANT

Priority date for September 2027 entry: 15 January 2027

Later applications are considered subject to available places.

Come and see what is possible.

Open mornings are held on the first Thursday of the month. You can also request a private campus tour through the Admissions page.

Fees & funding

Tuition varies by school stage and entry year. Contact Admissions for the current fee schedule. A limited number of means-tested bursaries and merit-based scholarships may be available.
